THE PEOPLE OF THE COUNTY OF MARIPOSA ORDAIN AS FOLLOWS:

Section 1. TITLE. This ordinance shall be known as the Mariposa County Healthcare 2022 Transactions and Use Tax Ordinance. The County of Mariposa, hereinafter, shall be called “County” or “District.” This ordinance shall be applicable throughout the entire territory of the County.

Section 2. OPERATIVE DATE. “Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 3. PURPOSES. This ordinance is adopted to achieve the following purposes, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To adopt a retail transactions and use tax ordinance in the amount of one percent (1%) as provided herein, for the specific purpose of generating funds to be deposited into a dedicated account as specified herein, for the specific purpose of designing, constructing and equipping a new community hospital, and other purposes, as more fully described in the Expenditure Plan contained in Attachment 1. This tax is intended to be in addition to any other transactions and use tax that may be in effect at the time of the effective date of this ordinance.

B. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.5 of Part 1.7 of Division 2 which authorizes the County to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose, or if the Mariposa County Board of Supervisors adopts this ordinance prior to an election pursuant to California Elections Code section 9118, subsection (a).

C. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

D. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

E. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will, to the greatest degree possible, be consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Section 4. CONTRACT WITH STATE.

A. Prior to the Operative Date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract and in such a case the Operative Date shall be the first day of the first calendar quarter following the execution of such a contract.

B. Payment for the cost of contracting with the California Department of Tax and Fee Administration for administration of the tax shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for any fee charged by the California Department of Tax and Fee Administration from sales tax revenues.

Section 5. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the territory of the District at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date of this ordinance.

Section 6. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his or her agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include

delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

Section 7. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the District of tangible personal property purchased from any retailer on and after the Operative Date of this ordinance for storage, use or other consumption in said territory at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 8. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

2. The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.
